2021-2022 Dyslexia Screener Assessment

1. Dyslexia Intervention program used during the year to support students with dyslexia.	Orton-Gillingham
2. The number of students who received dyslexia intervention during the school year. This indicator represents the number of students who were identified "at risk" or "at some risk" for dyslexia during the school year and who received the appropriate interventions. It does not represent the number of students who were officially diagnosed with dyslexia.	33
3. The number of students identified with dyslexia during the school year. This indicator represents the number of students who were officially diagnosed with dyslexia and may differ from the number of students who received dyslexia interventions.
